Fiscal Agent Certifications**

CERTIFIED ASSURANCES

The applicant hereby assures that, if an award is received under the PSN Program, the following requirements will be met:

Debarment, Suspension, Ineligibility, and Voluntary Exclusion

The applicant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

Disclosure of Lobbying Activities Requirements (Exception: Indian tribes, organizations, or agencies)

The applicant certifies that no Federal appropriation funds have been paid or will be paid to any persons for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal grant, the making of any Federal grant, and the extension continuation, renewal, amendment, or modification of any Federal grant

The applicant further certifies that it will provide a ["Disclosure of Lobbying Activities"](#) form if and when any non-Federal funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the PSN Program.

SUPLANTING CERTIFICATION

On behalf of the applicant, I hereby certify that I understand that any Federal funds received as a result of this application must be used to supplement existing funds for program activities and must not supplant those funds that have been appropriated for the same purpose, as funds set forth in the current edition of the Office of Justice Programs [Financial Guide](#). Further, supplanting shall be reviewed during the application process, post-award monitoring, and project close-out.

If the Grants Management Bureau believes, based upon factual data, that supplanting may have occurred, then the Sub-recipient shall be required to supply documentation demonstrating that the reduction of non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds.
